W. J. SELLICK -- DRY GOODS, BOOTS AND SHOES

When people advertise "bargains" did you ever pause long enough to think that the bargains they speak of may be for the SELLER and not for the BUYER. Many of the alleged "great offerings" are but a delusive mixture of moonshine and misrepresentations. That may do for just once, but folks are not hankering after it for steady diet.

Why we sell More Stoves than anybody.

FIRST--Because we sell none but of the best quality. Our stock embraces in wood burners the "Round Oak," the "Jewel" base burner, and the "Favorite," while the renowned "Garland" coal burner stands at the head of its class.

SECOND-Because in all the different makes of stoves we carry, our stock embraces all the various sizes made, which enables our customers to get exactly what they want.

We make a specialty of exchanging new for second-hand stoves.

TO HUNTERS:--We have fifteen fine shotguns, agents' samples, which are to be sold very cheap. Sportsmen are invited to call and examine them.
